## Amarillo Irked Over Levy

### Summer Show Opens June 17

Two members of the Texas Parks and Wildlife Commission will attend the opening performance of "Thundering Sounds of the West" in Pioneer Theatre June 17.

Mr. and Mrs. Will Odom, commissioner, and Mr. and Mrs. James Dellinger will be guests of the Texas Panhandle Heritage Foundation during a three-day stay in the Panhandle.

Third member of the commission, A.W. Moursand, will not attend the opening, according to foundation president Mrs. Ples Harper.

"The three members of the Parks and Wildlife Commission

have shown their enthusiasm for the park by including substantial amounts in their budget for capital improvement," said Mrs. Harper. "The appropriation bill, which passed both the House of Representatives and the Senate in Austin, has evidences of this interest.

"The legislators followed the recommendations of the commissioners and included enough money in the budget for Palo Duro to make some much needed building possible. This is the first time in the history of the park for such an appropriation," she concluded.

The group will be greeted with a reception Thursday evening in the home of Mr. and Mrs. Pete Gilvin, vice president of the foundation. The reception will begin at 5:30 p.m. June 17, and will honor executive board members of the foundation.

Following the reception, the group will be honor guests at the opening performance of the summer-long sound and light production.

The show will begin at 8:15 o'clock nightly in the canyon. Admission will be \$1 for adults and 50 cents for children.

Performances will be every night throughout the summer, except on Tuesdays. Final show will be Sept. 6.

### Moonlight Promotion Is Tonight

Moonlight Madness promotion, sponsored by the Canyon Chamber of Commerce, begins tonight, Thursday, at 7 p.m.

Doors to some 30 businesses in Canyon will remain open from 7 to 9 p.m. with bargains galore, according to Benny Cooper, chairman of the promotion.

\$100 will be given away by the merchants to the winner of The Man In The Moon contest.

The man in the moon will be a local businessman, and clues will be posted in participating stores all day Thursday.

### Woman Says Purse Taken

City police are investigating a purse snatching which took place here last Friday afternoon.

Mrs. Viola Russell, 2002 First Avenue, told city officers she was returning home from the grocery store and was between First and Second Avenues in the 2000 block when two teenage boys approached her and one grabbed her purse.

A woman who lives nearby yelled at the boys and the lad with the purse dropped it scattering the contents.

DICK ZIEGLER measures a hail stone which fell in the western section of Canyon Tuesday afternoon late during a rain and hail storm. Some of the hail measured 8 1/2 inches around, and most of those Ziegler brought in were around three inches in diameter.

G. H. LESEBERG looks at some of his wheat just before he enters the field with a combine. Leseberg brought in the first load of wheat in Canyon to Consumers Fuel Association and Elevator. The 10,040 pounds weighed 61 pounds to the bushel and tested out 15.8 per cent moisture. (Photo by Phyllis Bonnie)

## Huge Hail Stones Rip Area Crops, Property

Hail stones up to the size of baseballs battered a swath across Randall County Tuesday afternoon.

Canyon insurance men said a strip two to three miles wide extending from about 17 miles southwest of the city north to Amarillo was pummeled by moderate to extremely heavy hail.

The storm hit Canyon about 4:30 o'clock.

Here in Canyon damage was said to have been heaviest in Hidden Valley, Money Addition and in the west part of the original town.

There were reports of battered automobiles, broken windshields, smashed windows and damaged roofs in these sections of the city.

A tornado momentarily flicked out of a cloud south of Umbarger, according to Ray

McCune at the Buffalo Lake concession. McCune said he watched the funnel come out of the cloud. It did not touch ground.

McCune said there was some small hail at the lake but it was small in size and fell for only about three minutes.

No dollar estimate on damage was available Wednesday morning but insurance men expect it to run high. "However, I don't think it will approach the amount of damage done in the storm of 1962," one agent declared.

Damage to wheat and other crops is expected to run high in the hail-struck area. One insurance agent said damage to irrigated wheat may run as high as 75 percent north and northwest of Canyon.

Individual damage reports were beginning to trickle in Wednesday morning.

Several windshields were broken from cars and pickups

### Tornado Signals Listed

Eight blasts on the fire siren in Canyon denotes the approach of a tornado, according to fire department officials.

Six blasts signifies all clear. Fire at night is signaled by four blasts and fire in the daytime by two blasts.

The fire siren will be used rarely when a plectron system is installed by the fire department this month. The plectron alarm system will be installed in the homes of firemen and is expected to increase the efficiency of the fire department.

Fire Marshall Jack Jennings said the system will give Canyon an improved insurance rate.

### News' Clue For Local Promotion

"A safe must be open at a specified time."

This is the clue which will appear in the window of The Canyon News for the "Man In The Moon" contest tonight, Thursday.

The contest is part of the activities included in the two-hour Moonlight Madness promotion being sponsored by the Canyon Chamber of Commerce.

The News office will be among the some 30 stores which will be open Thursday evening from 7 to 9 o'clock.

### Wheat Harvest Underway

Wheat harvest began this week in Randall County as combines rolled through dryland fields.

Farmers have unloaded some 467,000 pounds of wheat at the two elevators in Canyon, and the dryland harvest has just begun, according to elevator operators.

G. H. Leseberg of Canyon, brought in the first load last Wednesday to Consumers Fuel Association and Elevator.

The 10,040 pounds of wheat weighed 61 pounds to the bushel and tested out 15.8 per cent moisture.

"Most of the wheat is running about 8 to 10 bushels to the acre," said Arnold Prichard, Consumers' manager.

Herbert Kuhlman, who farms east of Canyon, said his wheat brought in about 7 to 8 bushels per acre, which was below last year's yield.

However, five miles east of the city, Lee Roy Bauer said his wheat was bringing about 12 bushels to the acre.

Leseberg said his would average about 10 bushels per acre. Harvest peak is expected to reach Canyon within a week to 10 days according to area farmers.

Harvest of irrigated wheat should begin within the next two weeks, and elevators are expecting their busy time to begin by mid-June.

"We will be busy for another month or so, but the peak should begin within the next two weeks," said one operator.

"Yields in our irrigated (See Wheat, Page 8)

### Assessment Illegal Says City Manager

A hassle between Randall County and the city of Amarillo over a \$493.64 tax bill seemed to be shaping up this week.

The bill was due last Oct. 1. Penalty on it began Feb. 1 and it will become delinquent July 1.

Randall County tax office officials say the tax is due on 2,418 acres of Amarillo-owned land located in Randall County. Tax Assessor-Collector Bill Money said the land in question is not put to municipal use and the city of Amarillo draws lease and rental revenue from it annually.

"Legally speaking government property is not taxable," said Amarillo City Manager John Stiff. "That's the law."

"We've paid taxes for many years," Stiff declared. "It is not a valid assessment, so my attorney tells me."

The Amarillo city manager said Amarillo City Commissioner L. O'Brien Thompson has been appointed to meet with Randall County commissioners and Canyon school officials to discuss taxes and "two or three other items."

He said the meeting will be held at the convenience of Ran-

dall County commissioners and the Canyon board of trustees.

Money said the city of Amarillo has cash leased some three sections of grass land in Randall County at \$3.02 an acre. He said additional Amarillo-owned land under cultivation

### Hospital Records 'Firsts'

A couple of unique "firsts" happened at Neblett Hospital in Canyon recently.

The birth of a baby boy born May 3, and the birth of a baby girl June 4, brought some comments from hospital doctors, nurses, parents and visitors.

The boy weighed 2 pounds and 7 1/2 ounces at birth. A month later he weighs three pounds and five ounces.

"This is not the smallest baby to be born since I've been here, but he is the smallest to live beyond several days," says Dr. Leta Boswell,

## WT Work-Study Program Helped

West Texas State University's work-study program has been allotted \$38,820 to help provide part time summer jobs for students of low income families by the Office of Economic Opportunity.

The program was first initiated at WTSU last January, and about 160 students participated during the spring semester, according to Milton (Buff)

Morris, director of student financial aids and administrator of the work-study plan.

"Most of the students during the regular session--about 140 of them--worked in on-campus jobs," Morris said. "During the summer we expect to have about 50 working off campus and about the same number on campus."

Morris listed 43 students working in 18 area towns for non-profit organizations, earning money to re-enter WTSU during the fall. He expects to place several more during the next few weeks. He said that students employed off campus can work as many as 40 hours a week if they are not enrolled for classes, and up to 15 hours a week if they are attending classes.

On-campus jobs include such posts as tutoring, secretarial help, campus beautification, paper grading, cataloging library materials for various departments, educational research, gathering teaching materials,

### Carnival Date Set

Canyon Lions Club will hold its annual carnival the week of June 21-26.

Art Roberts and Floyd Lassiter are in charge of planning the carnival. It will be held on the area in front of the Rex Reeves Elementary School.

Rides will be furnished by the Lone Star Amusement Company of Amarillo. Profit realized by the Lions Club will be used to finance Lions Club projects.

Ahh, summer--and John Brandon, son of Mr. and Mrs. L.F. Brandon, tries to coax Kay Jarnagin, daughter of the Clark Jarnagins, in for a swim. Kay might like a cool dip, but her

time right now is spent watching young'uns in the water at the city pool--she's one of the lifeguards. Pool hours are from 1-7 weekdays, 2-6 Sundays--come on down.

Honor conferred upon an unworthy man makes the honor ridiculous rather than the man honorable.

FROM THE

CANYON RIM

By Troy Martin

While crops rot in California for lack of workers, government scouts are looking for poverty to fight. A college official recently showed me a letter from a government agency asking for him to look for poverty in Canyon.

Anti-poverty is the biggest boondoggle of all times. Poverty fighters say the program will cost \$800,000 this year and \$1.5 billion next year. They say it must be continued over a 25-year period at a cost of \$100 billion.

So far, most of the money being spent is going for administrative salaries. In Baltimore, a whopping 74 percent of anti-poverty funds is expended to pay administrators.

Head of the program there draws \$22,500. The mayor's salary is \$25,000 and the governor of Maryland is paid only \$15,000.

In St. Louis, the manager of the poverty program draws \$25,000, same as the governor

of Missouri and \$10,000 a year more than the state's attorney general.

Youth who enroll in the anti-poverty youth corps gets \$1.25 an hour. They are paid more than youngsters serving as rookies in the armed forces.

Unpalatable as all this is, it might be worth it if there were a shred of a chance that poverty would be eradicated in the next quarter century.

Mike Todd once said, "I've been broke a lot but never poor."

Randall County records show that, with a few exceptions, able bodied who ask for county assistance have not tried too diligently to help themselves.

One case on record tells of a young father of four who spent 4 percent of his monthly salary on a car pool ride to keep from having to walk a little more than a mile to work.

The young man, in his early twenties, showed up at commissioners court asking help to foot medical bills for the birth of his fifth child. He was married at the age of 16 and is averaging a child a year.

He works a 40-hour week. Only recently the county paid a hospital bill after the young man's wife had been hospitalized.

Commissioners agreed to help him again. They could do little else. The need is there. This time, however, the young man will be asked to work for

the money. County Judge Lloyd King was authorized to put him to work cleaning up a county road or county property during hours he is not on duty at his regular job.

I agree with the court. Able bodied people should receive help only if they are willing to work for it.

There was lots of fun poked at the WPA of the 1930s. WPA workers did much constructive labor. I approve of public works when they are necessary to provide employment.

If the anti-poverty people are in earnest, why don't they dispatch some of their corps to California to help harvest crops there that are otherwise doomed to waste in the field? Farmers there would welcome them.

I can't take an anti-poverty program seriously in a country so desperately in need of laborers. I can't shed tears over so-called poverty-stricken if they are unwilling to do manual labor.

Ed Howe, the sage of potato hill, once said: "The hardest thing in the world is to convince a woman that even a bargain costs money."

Met the wife of a friend of mine in the grocery store the other day. She had gotten \$2 from her husband to buy some miscellaneous groceries.

Her purchase came to more than \$2 so she wrote a check and tucked the two ones into her billfold.

"My husband is going to be surprised to get his \$2 back," she remarked brightly.

There used to be a time when celebrities created a big stir when they came to this part of the country. People would crowd into Amarillo Municipal Auditorium to see such people as Charles Laughton and other big name stars.

Even the kids are bored today. They see them everyday on TV and they're simply old hat.

Merle Strickland, identification man with the Randall County Sheriff's Department, says crime is caused by moral and social breakdown.

He says crime is a symptom of lack of respect for rights and property of others.

He blames a lot of crime on drinking.

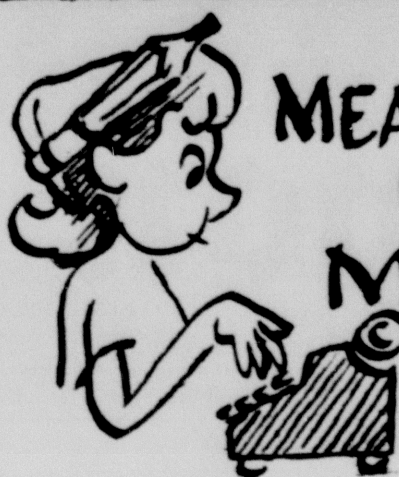

"You seldom get anyone in jail who goes to church and doesn't drink," he declared.

Strickland Gets New Assignment

Merle Strickland has been reassigned by Randall County Sheriff's Department as jailer and identification man.

He formerly was assigned to South Amarillo. He has been replaced in Amarillo by Dan Carter.

Carter is a veteran lawman who was a traffic captain in the Amarillo Police Department and later a deputy sheriff in Potter County.

MEANDERING WITH MARGO

Dewey Bryant was in Hale Center Thursday morning after a destructive tornado wiped out most of the business district of the community.

Dewey said one of the most impressive things he noticed about the clean-up operations was the work being done by the Red Cross.

He noted that most of the R.C. workers were from Lubbock, but many Hale Center residents were helping in the center.

"They were handling the communications of the area. And the building was being used as a temporary city hall and headquarters for the stricken area," Bryant recalled.

Dewey also said that food, coffee, beds, just anything that was needed was available at the center—all free of cost.

"I wish I had had a camera so people could see what the Red Cross does in a disaster," he said. "During the Red Cross campaign here in Canyon, so many people criticized the work of the Red Cross. I just wish they could have seen the organization in operation."

For those folks who worked in the local Red Cross drive, the effort was somewhat frustrating.

Many people in Canyon have bitter memories of World War II and what the Red Cross did

or didn't do during the war. Consequently they were very hesitant to give money or time to the cause.

Yet as one man pointed out, "What can you expect in a war?"

"So much is going on, and the effort to help so many is gigantic. So naturally mistakes were made. But all-in-all, even during the war the Red Cross did a fine job in the work cut out for them."

So often when money is given on a local level, folks fail to see exactly what the money is used for.

But for those who travelled up to Hale Center, they saw exactly where their dollars had gone.

And you have to admit, that's a pretty good cause for anyone's money.

An Open Letter

Mayor  
City of Canyon  
Canyon, Texas

Dear Sir:

On behalf of the entire staff of Hi-Plains Hospital, Hale Center, Texas, I want to express our heartfelt thanks for the manner in which your community responded to our needs.

Their help to our hospital was proficient and extremely prompt. Our needs were accurately anticipated and each person came prepared to render real assistance to us.

We would greatly appreciate your conveying our thanks to your citizens for this excellent help. You can point with pride to individuals such as these.

Sincerely,  
Gordon Russell

Services For Schaefer Baby

Graveside services were held Monday afternoon, May 24, at Garland Brook Cemetery, Columbus, Indiana, for the infant son of Mr. and Mrs. Carl Schaefer, Three Oaks, Michigan.

The infant was dead upon delivery May 23 in St. Anthony Hospital, Michigan City, Indiana.

Mrs. Schaefer is the former Loyce Collins of Canyon. Maternal grandmother is Mrs. Donnie Collins, also of Canyon. Mr. and Mrs. Louis E. Schaefer of Columbus, Indiana, are paternal grandparents.

Cornetts New Grandparents

Mr. and Mrs. Frank P. Cornett of Canyon are maternal grandparents of a new baby boy, born Monday.

The child is the son of Mr. and Mrs. Larry Sullivan of El Paso. He was named John Larry, Jr., at birth Monday morning at 3:30.

On arrival, John Larry weighed six pounds, 13 ounces, and had two teeth. He is the Sullivans' first child.

Paternal grandparents are Mr. and Mrs. Lawrence Sullivan of Amarillo.

Visiting last week with Mr. and Mrs. H.M. Stokes were their daughter, Mrs. Henry Ellis of Paris, Texas, their son, William Mansel Stokes of El Paso, and Mr. and Mrs. Carl Ketchum and Mrs. Kay Wallis of Springfield, Missouri.

West Texas State University's quiz kids go before national television audiences Sunday to compete in the GE College Bowl at 4:30 p.m. on Channel 4. The students, Anthony Narkin,

Vince Johnson, Catherine Brannon and Don Hensley, will challenge St. Francis College from Brooklyn, New York.

Churches Hold Bible Schools

Three Canyon churches are conducting Vacation Bible Schools this week, to continue next week.

First Methodist Church is sponsoring a two-week session, scheduled to end June 18. Program hours are from 9-11 a.m.

Calvary Baptist Church is conducting a ten-day school, with graduation ceremonies planned June 16. Daily classes are from 9-11:30 a.m. for ages 3-12.

A special "Teen Time" program will be held at Calvary Baptist June 21 through 25 for junior high and high school students. Time for the meetings is 7:30 p.m., with Mrs. Polly Lindley and Nelda Porter in charge.

First Baptist Church will conclude a two-week school June 18. Classes are held from 8:30-11:30 a.m. each day.

Week-long sessions were held last week by both Central Church of Christ and Southside Baptist Church.

Workers in First Christian Church and Faith Chapel will hold late summer Bible Schools. First Presbyterian Church will not hold a school.

G.L. Davis Stricken

G. L. "Bill" Davis suffered a heart attack Saturday morning.

Davis is road work foreman for Precinct 2 and has held that position for a number of years. He is being treated at Neblett Hospital.

Mr. and Mrs. J.C. Curb are visiting their daughter in Colorado Springs, Colorado.

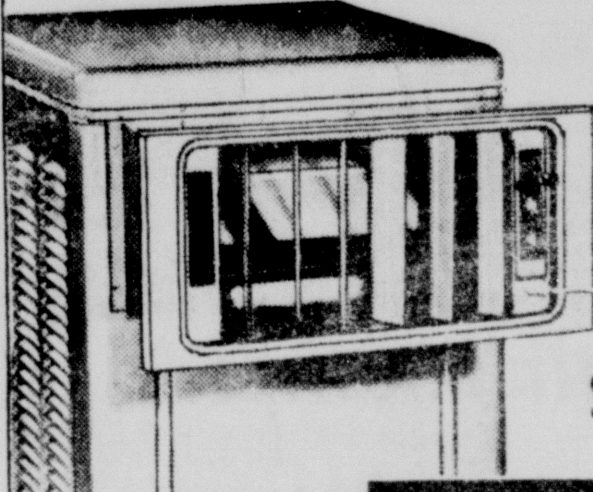

DENNIS HALEY, Canyon High School student, left, and Gayle Frederick, CHS instructor, were among 500 Texas high school science students and instructors attending the Fifth Nuclear Science Symposium at the University of Texas,

June 6th through 9th. Southwestern Public Service Company, a member of the Texas Atomic Energy Research Foundation, sponsored the Canyon representatives at the symposium.

## Jaycee-Ettes Slate Plans

Plans for a family picnic were made by members of the Canyon Jaycee-Ettes at a Monday evening meeting in the home of Mrs. Wayne Edmondson.

The picnic will be held at the Rod and Gun Club, east of Canyon, Sunday afternoon, June 13, beginning at 4 p.m.

All Jaycee members, their wives and families are urged to attend the affair, to be a kick-off for several upcoming Jaycee sponsored projects. Invitation committee appointed for the picnic were Mrs. Guy Hamblen and Mrs. Carl Miller.

Mrs. Meade Michael, president, was in charge of the business session. Fish Rodeo concession stand made a net profit of \$14.88, Mrs. Allen Parson, chairman, said.

Mrs. Jackie Whitley was appointed chairman of the upcoming Jaycee Radio Day project. Assisting Mrs. Whitley will be Mrs. Richard Pruett, and Mrs. Meade Michael.

The upcoming "donkey ballgame" sponsored by the Canyon Jaycees was also discussed. Mrs. Larry Hicks is in charge of advertising posters and Mrs. Gerry King appointed chairman for a Jaycee-Ette concession stand.

Another topic of discussion was the July 16 work forum for Jaycees and Jaycee-Ettes which will be hosted by the two clubs in Canyon.

Attending the meeting were Mesdames Larry Hicks, Gerry King, Guy Hamblen, Charles Marshall, Jackie Whitley, Allen Parson, Carl Miller, Meade Michael, Doug Rittenberry, Richard Pruett, Delbert Turk, Jerry Swearingen, a guest, Mrs. Ronnie Ratliff, and the hostess, Mrs. Wayne Edmondson.

Mrs. David Pulley, county Home Demonstration Agent, directed judging of the cakes and made suggestions for improvements. The girls will enter the County Bake Show in August. Plans were discussed for sewing for the dress revue in July. A meeting will be held June 21, Monday, at 2 p.m. in the Farm Bureau Building, to make additional plans.

Members present were Rose Marie Morasco, Darlene Crow, and Nancy Boyce.

## Cloverettes Bake Cakes

Cloverettes 4-H girls worked on angel food cake baking at a meeting held recently in the home of Jan Williams, junior leader.

Each girl present brought an angel food cake she had baked, while Jan brought a cake she had made from a mix. She then pointed out the difference in recipe cakes and mixes.

Mrs. David Pulley, county Home Demonstration Agent, directed judging of the cakes and made suggestions for improvements. The girls will enter the County Bake Show in August.

Plans were discussed for sewing for the dress revue in July. A meeting will be held June 21, Monday, at 2 p.m. in the Farm Bureau Building, to make additional plans.

Members present were Rose Marie Morasco, Darlene Crow, and Nancy Boyce.

Margo Williams visited in Oklahoma last week end. Miss Williams visited with friends in Davis, Sulphur, Norman and Oklahoma City.

## Madness Sale

Benny Cooper, chairman of the Moonlight Madness promotion, and Janiece Eudy, secretary of the Chamber of Commerce of Canyon stop a minute before they put up the bright Moon-

light Madness Sale sign. The sale begins at 7 o'clock tonight and lasts for an hour. A Man In The Moon contest will be held during the two-hour promotion also.

## Daughter Born To Marshalls

Mr. and Mrs. Charles Marshall of Canyon announce the recent birth of a daughter.

Named Christi Ann, the baby weighed 6 pounds, 15 ounces on arrival at Neblett Hospital and Clinic in Canyon. The child's birthdate was May 30.

Visiting with Mr. and Mrs. Roy Franklin last week end were Mr. and Mrs. Joe Britt of San Angelo.

AFTER completing registration procedures at West Texas State University, for summer session, students trek to the bookstore to purchase class materials. Pam Calder, a sophomore mathematics major from Canyon, and the daughter of Col. and Mrs. Henry L. Calder, checks over one of the textbooks she might be using this summer. Registration for the six-week term closes June 12.

## Jury Cases Scheduled June 22nd

Eleven criminal cases have been set for jury hearings in county court the week of June 22.

Cases were set by Judge Lloyd King Monday at a docket call in county court. One jury civil case is set for hearing the same week.

Two non-jury civil cases will be heard next week. Next docket call will be held at 9:30 o'clock the morning of July 6.

In other action in county court during the past week, Raymond Isom Stuart, 43 years old, Alpine, entered a plea of not guilty to charges of driving while intoxicated. His bond was set at \$500.

Travis Bussey entered a plea of guilty to theft charges and was fined \$50 and sentenced to 30 days in jail. Bussey, 57, gave a Shreveport, La., address.

A man charged with impersonating an officer had not been apprehended at mid-week.

## News About Town

Mrs. Joe Abbott and her mother, Mrs. Ruby Bonds, and the Abbott children, Debbie, Vickie and Nickie have returned after visiting relatives in San Angelo, Waco and Dallas. While in the Dallas area they went to Six Flags.

Mr. and Mrs. Richard Pruett and sons, Ty and Kip, have returned from several days vacation at Granite Shoals.

Jack Johnston, Garden Grove, Cal., brother of Sheriff L.S. "Slim" Johnston is visiting in Canyon.

## News About Town

Joe Tom Pittard, son of Mr. and Mrs. Bob Pittard, was named to the Dean's Honor Roll at Abilene Christian College for spring semester. Pittard is a junior student, and had a 3.77 average on a four point system. He is currently attending summer school at ACC.

Mr. and Mrs. Cleo Billington of Amarillo visited in the home of Mr. and Mrs. Elmer Billington last Monday.

Visiting with Mr. and Mrs. Donnie Rogers and son, Kerry, recently were her parents, Mr. and Mrs. Earl E. Miller.

Mr. and Mrs. Guy Clement of Wellington visited in the home of Mr. and Mrs. Clayton Kelley during the week end.

## BETTER COOLING—MORE COMFORT

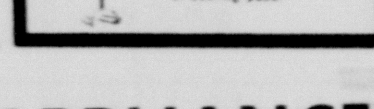

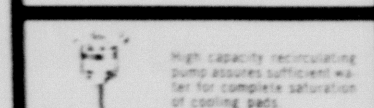

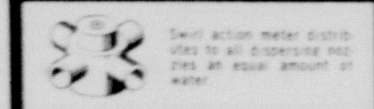

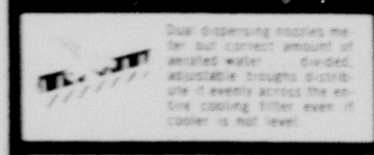

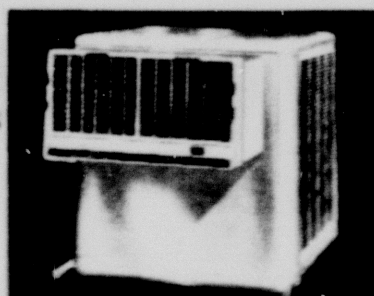

exclusive with  
**WRIGHT  
AIR COOLERS**

Evaporation of water, coupled with moving air, causes a cooling effect we can feel. For maximum cooling efficiency, an evaporative air cooler must have all cooling pads equally saturated. Uneven water distribution, dry pads, or dry areas on pads will greatly reduce cooling efficiency and comfort. That's why these features of Wright's exclusive Equi-Flow Water System are so important, and why a Wright air cooler gives you better cooling and more comfort.

WT Summer Enrollment Increases

A 20 per cent increase in enrollment for the first summer term at West Texas State University has been shown after the first day of registration, according to President James P. Cornette.

Saturday is the final day for enrollment for classes. After the first day of registration Tuesday, a total of 1958 had started enrolling, compared with 1594 at the same time last year. Final enrollment for the first term in 1964 was 1705, a record for WTSU's summer term.

Dr. Cornette said that the final figures for the first term this year should be between 2,000 and 2,100. The total will include 38 teachers of English who are enrolled for the Summer English Institute which continues throughout the first term, and for which teachers receive university credit.

"We have a large increase in number of beginning freshmen this year," Dr. Cornette said. "More than 100 freshmen just beginning college work are enrolled."

Faith Chapel Evening Meet

Mr. and Mrs. Wesley Spencer will be guest speakers at the Sunday evening service of Faith Chapel, according to Mrs. Marcus Adair.

The couple will speak in the absence of Rev. Marcus Adair, who is presently on a missionary tour of Mexico. He will return in several weeks.

The Spencers have recently returned from a European trip, and will show slides of Europe during the service. Also, a major part of the program will be devoted to Russia.

The Spencers are members of Full Gospel Church in Perryton, and he is one of the trustees of Faith Student Center.

# WT Professor Awarded \$30,000 Research Grant

A major step in the continuing development of research programs at West Texas State University has been made with the receipt of a \$30,000 grant from the Robert A. Welch Foundation of Houston by an associate professor of chemistry. The grant to Dr. Ray A. Malzahn of WTSU was one of eight totaling \$292,000 made for chemical research in Texas by the trustees of the foundation.

Dr. Malzahn likely will be among the first researchers to move into the Killgore Research

Center, which is expected to be completed and ready for occupancy in February, 1966.

Dr. Malzahn's grant from Welch Foundation will start in May, 1966, and will be on the basis of \$10,000 a year for three years. His research will cover "Pyrolysis of Propargyl Ethers," which is a study of the effect of heat on certain organic compounds.

"The grant to Dr. Malzahn is of prime importance to West Texas State," said Dr. Emmitt D. Smith, director of program development and research. "It is the first large grant from private sources, and we feel it will pave the way for additional private funds for research of significance to this region."

The study will have two goals," Dr. Malzahn said. "One is the efficient preparation of an unusual class of organic substances, and the other is the determination of structural features that make substances stable to heat."

Most of the grant will be spent for equipment and chemical supplies, Dr. Malzahn said, but some will be used for fellowships for graduate students to assist with the project.

Dr. Malzahn has selected Thomas L. Gibson of Amarillo as his first assistant for the

research project. Gibson was graduated from WTSU in May with a B.S. degree in chemistry. He will be a graduate teaching assistant at WTSU in 1965-66 and then will complete a year of research under Dr. Malzahn.

After earning his Ph.D. at the University of Maryland, Dr. Malzahn spent two years in post-doctoral research on polymers, or plastics, at the University of Arizona. Two articles on his polymer research appeared recently in the "Journal of Polymer Science." He joined the WTSU chemistry department in 1963.

Dr. Malzahn has held grants from the Organized Research Fund of WTSU for research in the field of water soluble polymers made from agricultural compounds. He expects to complete his present project this year before starting work under the Welch grant.

## Clapp At RC School

Mark Clapp, an instructor in physical education at Rex Reeves Elementary school, is attending a 10-day American Red Cross National Aquatic School at Lake Murray, Ardmore, Oklahoma.

The school is one of the six aquatic schools held in the mid-western states by the American Red Cross.

Some 100 students are enrolled in the sessions, and will receive training in first aid, swimming, lifesaving, and small craft safety.

Training films are shown on swimming, first aid, and boating laws.

Persons completing the training session will be qualified as American Red Cross instructors of swimming, first aid, and small craft. Graduation will be the morning of June 12, Saturday.

## Amarillo Church Plans Camp Here

A Methodist church campsite estimated at more than \$300,000 will be built just north of the Canyon city limits.

The camp, sponsored by the Polk Street Methodist Church of Amarillo will be constructed on property which lies just north of the Canyon Drive-In Theatre on U.S. Highway 60.

Kenneth Argenbright, minister of education at the Amarillo church, said that preliminary estimate on cost for the camp is \$265,500. However he pointed out that this figure does not include a health center, a chapel and the superintendent's quarters.

Construction on an administration building is expected to begin within the next month, according to Argenbright.

"Right now we are trying to get in the utility lines and

and preparation of laboratories.

"As far as possible, the jobs should be related to the student's major field of interest, so that it also becomes a learning process," Morris said.

Purpose of the program is to create new jobs on college campuses for students of need, and the program operates beyond the regular student payroll of the college or university, Morris said.

Under the program, the college or university meets 10 per cent of the student payroll, while the Office of Economic Opportunity provides the balance.

wheat should be better than last year," said Randall County agent John Brazzil.

Brazzil said that most of the dryland that is being harvested is about the same as last year's yields. But he noted farmers in the area expect an even better harvest with irrigated wheat.

day. However, entry in the contest can not be made until tonight from 7 to 9 o'clock.

Participants in the contest must be at least 18 years old or the head of a household.

Entry blanks for the contest will be located in each participating business, and must be deposited in containers throughout Canyon between 7 and 9 p.m. tonight.

Names of all persons who correctly pick the Man In The Moon will be placed in a box and one name drawn. The final drawing will be made sometime next week, according to chamber manager Roland Black.

No purchase is necessary to enter the contest.

pipes," he explained.

Plans for the 34-acre tract of land, which was given to the church by Mr. and Mrs. D.T. Ware and Mr. and Mrs. Stanley Blackburn, call for facilities to house some 200 persons.

The administration building which will cost approximately \$95,000, will contain a kitchen, dining area, a handicrafts room, several all-purpose rooms and a central meeting room, which will be used for bedding area until other buildings can be built.

The camp, which has a creek flowing through the area, will also provide outdoor tent camping facilities, a swimming pool, tennis courts, and fishing area.

A full time camp superintendent will be employed and a custodian will be on duty at all times, according to Argenbright.

Plans for the camp call for construction to begin in July and the full camp facilities to be completed by the summer of 1966.

Some 20 buildings are shown on the long range plans for the camp.

"We should be able to move a superintendent and a custodian in by fall," Argenbright explained. "We hope to have at

least the first unit completed by then."

A day camp will be held on the church property next week. Adult leaders from throughout the conference will direct the children's program.

Some 16 adults and some 35 children will participate in the week-long camp.

"This will be the only week-long camp we have all summer, but we are expecting to have several week end camps for the youth of our church during the summer," Argenbright noted.

## Fire Damages Vacant House

Fire late Friday afternoon heavily damaged a duplex at 501 Sixth Street.

The duplex, which has been vacant for about six months, belongs to T. J. Williams of Amarillo.

City and county officials this week still were investigating the cause of the fire. The blaze broke out in the garage of the north portion of the duplex.

It was discovered when Billy Dan Crossland, who happened to be passing by, saw smoke pouring out of the building. Billy Dan's brother, Kenny, called firemen.

The fire started near a central heating unit in the garage. The attic and roof of the house was damaged.

City Fire Captain Joe Rice said the duplex has been vacant about six months and that during that period gas and electricity have not been on there.

Nasty lookin' animule--agreed? No doubt the snapping turtle, caught last week end by Mark Lair, left, Charles and Frank Booth, thinks the same about people. The three caught the turtle, weighing in at 13 pounds, near the VFW Post Home, plan to keep him awhile, and then "maybe have turtle soup," Lair says.

## PUBLIC NOTICE

### Proposed CONSTITUTIONAL AMENDMENT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON SEPTEMBER 7, 1965.

SENATE JOINT RESOLUTION NO. 44 proposing an Amendment to Sections 2 and 25 of Article III of the Constitution of the State of Texas so as to provide for an increase in the membership of the State Senate from 31 to 39 members; to fix the membership in the House of Representatives at 150 members; to require apportionment of the Senate according to population; and to delete the limitation that no single county is entitled to more than one Senator.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Sections 2 and 25 of Article III of the Constitution of the State of Texas be amended to read respectively as follows: "Section 2. The Senate shall consist of 39 members. The House of Representatives shall consist of 150 members. "Section 25. The state shall be divided into Senatorial Districts of contiguous territory according to population, as nearly as possible.

"Should the Legislature enact any enabling legislation in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the 7th day of September, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment increasing the membership of the State Senate from 31 to 39 members, retaining the present membership of the House of Representatives, requiring apportionment of the Senate according to population, and deleting the limitation that no single county is entitled to more than one Senator."

"AGAINST the Constitutional Amendment increasing the membership of the State Senate from 31 to 39 members, retaining the present membership of the House of Representatives, requiring apportionment of the Senate according to population, and deleting the limitation that no single county is entitled to more than one Senator."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

Robert Rogers, left, and T. B. Baca, Canyon firemen, are shown here fighting a fire at 501 Sixth Street. The fire broke out at that address late Friday afternoon. The two firemen inserted a special spray nozzle through the roof of the building to spray water on the flames.

attending physician. The girl weighed 11 pounds and six ounces at birth Friday afternoon, and according to Dr. Boswell, is the largest baby born in her 18 years with the hospital.

The boy is the son of Mr. and Mrs. Louie Baker of Route 2, Canyon. The Bakers have three other children, Marice, 8, Antonetti, 6, and an adopted son, Lloyd, eight months.

Paternal grandparents are Mr. and Mrs. B.B. Baker of Wichita Falls. Maternal grandparents are Mr. and Mrs. Johnny Day of Amarillo.

"We visit the baby almost every night, but can't touch him," Mrs. Baker explains. "If things go as they have the past several weeks, they should be able to take him home in about three or four weeks," said Dr. Boswell.

The infant girl is the daughter of Mr. and Mrs. Jimmy Plain of Canyon.

Kathy Gail was born at 3:13 p.m. Friday.

The Plains have two other daughters, Brenda, 6, and Linda, 4.

Paternal grandparents of the baby are Mr. and Mrs. Hessel J. Plain, Sr. of Follett. Maternal grandfather is Cornelius Kliever, Jr., of Follett.

greenhouse roof at Irwin, Inc., 4 1/2 miles north of Canyon was heavily damaged.

Damage to the A.W. Lair home, nearby, also was extensive.

"Hail stones went through storm screen, through windows and into my house," Lair reported. "I've got shingles all over the yard."

Heavy hail was reported at the Buford Sparks place, 3 miles north of Canyon.

Sheriff L.S. "Slim" Johnston was cloud watching north of Canyon on the E-Way. He said he saw three southbound cars with broken windshields.

Damage to a patch of wheat belonging to John Jennings and located 14 miles southwest of Canyon was said to have been heavy.

Mrs. Jennings said huge hail stones fell at the Jennings home, 9 miles southwest of town. She said a neighbor, Bob McCasland, also had damaging hail.

Edgar Robinson, 17 miles southwest of town, reported light hail but little damage.

A barn belonging to Hosea Foster and located 7 miles southwest of Canyon on Bufalo Lake road was badly damaged.

Rainfall here in Canyon during the storm was estimated at about .20 of an inch.

## News About Town

The Gary Garners, Brad, Bryan and Blair, are visiting this week in the home of her parents, Judge and Mrs. Meade P. Griffin, in Austin.

Visiting with Mr. and Mrs. T.W. Henderson one day last week was his brother, Milton Henderson, of Masterson and his family.

Mrs. Ella Mae Crabtree visited recently with her daughter, Mrs. D.G. McAtee. Mrs. Crabtree is from McLean.

Mr. and Mrs. Grady Wright of Artesia, New Mexico visited in Canyon with her brother, Clark Jarnagin, and family during the week end.

Mrs. Weldon James has returned from a two week stay at Eddinburg where she visited with her mother, Mrs. Maude M. Edwards.

## After sorghum has emerged, spray Atrazine to control weeds and grasses.

The idea is to spray Atrazine 80W herbicide right after sorghum has emerged, but before weeds are 1 1/2 inches high. This one application, moved to the weed root zone by rainfall, will control most annual broad-leaf weeds and grasses in sorghum for the entire season.

Control of weeds and grasses in sorghum with Atrazine can greatly reduce the need for cultivating. And so your crop goes through the entire season without weed competition for moisture and soil nutrients.

The results of weed control in sorghum are higher yields and lower production costs. And you can now graze or feed forage to livestock from treated sorghum fields 60 days after Atrazine application.

Contact your local supplier now for Atrazine 80W herbicide.

# Bryant Receives Raise From City Commission

Canyon city commissioners gave city manager Dewey Bryant a pat on the back Monday night with a raise to \$8,000.

Bryant, who has been in Canyon three years, was raised from \$7,560 to \$8,000 by unanimous vote of the commissioners.

"We appreciate the work you have done for us," Mayor Clarence Eugene Thompson praised.

In other action Monday, Commissioners accepted a low bid from Foran Construction Company of Amarillo for the work on the annual utility installation program.

Foran entered a total bid of \$30,397.30 for work to be done within the city. The program

will include facilities to be added in Hunsley Hills Addition. For the Hunsley property work, Foran bid \$21,483.30. Cost for the rest of the program was \$8,914.

H. B. Jordan Company of Amarillo and J.T. Brodie Company of Amarillo also bid on the project.

"We got good bids from all the companies," said city engineer Bill McMorries.

Bryant also expressed pleasure over the low bid.

The bid was awarded to Foran Company subject to developers putting funds in escrow for their part of the program.

A low bid of \$26,857.74 was accepted by the commissioners from Bruckner Truck Sales of Amarillo for a new pumper fire truck. Bruckner bid was the only one submitted.

City dads also agreed to keep the sewerage charge the same for West Texas State University. Bryant explained that the present system of charging \$1.45 per capita for 3500 students enrollment has worked well the past year. He recommended that the charge remain the same.

Joe Gidden, office manager of Southwestern Public Service in Canyon, met with the board to request that an ordinance be passed to unify the rate structure assessed by Southwestern Public Service for electric service rendered in the city.

Gidden told the commission all residential rates in Canyon would be lowered 12 cents. In public and parochial school structures, the fuel cost adjustment would be reduced from one mill to .65 of a mill.

This reduction would also be shown in the general service rate structure.

"Some 251 customers are served in the general service structure," Gidden told the commissioners. "In our new reduction rate, customers will get a 2 1/2 percent decrease."

This reduction in fuel cost adjustment will also include the irrigation rate for farmers, Gidden explained.

A bid of \$6,799 for renovation of the City Hall was accepted from Jack and Scott Downing of Canyon. Their bid was the lowest submitted from four companies.

The bid includes electricity, plumbing, heating, air conditioning and remodeling.

Jim Christopher, M.B. Sims and M.L. Sherrod were appointed to the board of equalization for the city. Bill Davis is leaving the board this year.

Jess Ford Company of Canyon submitted a low bid of \$2245 for a vehicle for the water and sewer department. A bid of \$2385.86 was submitted by the Imperial Chevrolet Company of Canyon.

Commissioners also voted to rezone lots 19 and 20 in Block

60 in Canyon from dwelling to retail classification. Dr. Wood requested the rezoning of the block.

Commissioners agreed to let McMorries investigate the possibilities of extending city water service to the camp site of the Polk Street Methodist Church, which lies north of the city limits.

The church requested water service to the camp, and definite decision will be made by the commission following a report by McMorries.

## Museum, Park, Show Increases

Visitor totals through May at Palo Duro Canyon State Park and Panhandle Plains Historical Museum are running ahead of last year by some 5,000 persons.

Five and six persons were counted to each car entering the park over Saturday and Sunday, with 280 Texas cars tallied Saturday and 625, Sunday. At the same time, 54 out-of-state cars were counted Saturday, with 62 counted Sunday.

Some 93 cars remained Saturday night with 61 staying Sunday, as visitors used park facilities for camping out.

Attendance at the park gate was set at 30,300 through May 30, Through May of '64, some 25,915 persons had passed through the gate.

Park officials also noted that attendance at the park in April was nearly double that of 1964. Panhandle-Plains Historical Museum officials recorded 2,362 visitors during May, with 36, 441 for the entire year.

Attendance at the museum has also shown an increase over last year, with some 30,797 recorded through May of 1964.

Nearly 40 states have been represented at the museum this year, according to Boone McClure, curator. Visitors have registered from 37 different states.

## Jaycees Plan Family Picnic

A family outing for Canyon Junior Chamber of Commerce, their wives, children, and guests will be held Sunday, June 13.

The picnic supper will begin at 4 p.m. at the Rod and Gun Club east of Canyon. All Jaycee members are urged to attend as the picnic will be a kick-off for several upcoming projects of the civic club including Radio Day, June 19, Donkey Ballgame, June 26, July 4 fire-cracker sale; and a July 16 work forum.

Lions Club wives invaded the regular meeting of the group last Wednesday afternoon, presenting a mock style show. Mrs. Troy Martin narrated the show, while others presented dashing styles. Shown in fashion apparel are, seated, Nancy Hicks, and standing, from left, Mrs. W. A. "Bill" Wilson, Mrs. Clay Cooper, and Mrs. Aubrey Crossland.

## Death Claims James White

James Madison White, a resident of Canyon since 1941, died Tuesday night in Nebel Hospital.

Last rites for Mr. White, a farmer and rancher, will be conducted at 2 p.m. today, Thursday, in the First Methodist Church of Canyon.

Rev. Newton Starnes, pastor, will officiate.

Funeral arrangements are under the direction of LaGrone Funeral Chapel.

Mr. White, 75, was born in Richmond July 4, 1889. He moved to Deaf Smith County in 1928 from Plainview, and to Canyon in 1941.

He married Vada Murphy in Dallas Dec. 28, 1922.

Mr. White, who lived at 2519 Sixth Avenue, was a member of the Woodmen of the World, and was a member of the Odd Fellows Lodge.

He was a director of the Federal Land Bank in Hereford.

## Local Units Assist In Tornado Area

Canyon Emergency Unit and LaGrone Ambulance were among vehicles assisting in rescue operations after a tornado struck last Wednesday evening at Hale Center.

The eight-man emergency unit crew, headed by Joe Rice, fire captain, made the 73 mile run following a call for emergency generating equipment at 10 p.m. A similar call was made to all nearby cities.

The local unit supplied portable power to the town. "All power lines were down," Rice said, "and we helped set up emergency power."

Unit members spent the night working in the town, and returned to Canyon early the next morning. Men making the run were Rice, Jack Jennings, D. B. Lowes, Roland Hicks, Louie Davis, Gerald Warwick, Jim Christopher, and Bill Sternenberg.

The ambulance, driven by Tommy LaGrone, who was accompanied by Odell LaGrone, transported some five persons to the High Plains Hospital in Hale Center, and carried others to the medical center in Lubbock. The two men returned to Canyon around 5 a.m.

"All the emergency units and hospital personnel did an excellent job in their work," Tommy LaGrone said. "It was really good to see how the different units banded together to help out."

Visiting with Mr. and Mrs. Gene Johnson this week have been Henry Howell and Barbara of San Antonio, Ralph Howell and Kathy of Dallas, and Mrs. Pauline Denman, also of Dallas. While in Canyon they visited with Mrs. Etta Walton, their sister, as well as the Johnsons.

Visiting Monday evening in the Arvin Triplett home were David and Cynthia Mickey of Tulsa, and Jeanette, Mickey and Quenton Ely of Amarillo.

## Swimming Lessons Scheduled

Registration for Red Cross swimming lessons will be held from 9-11 Saturday, June 12, at the City swimming pool, according to Davis Price, instructor.

Registration will be taken for beginners, intermediates, advanced and lifesaving courses during the two-hour period. Children under six are not eligible for the lessons.

Times for the lessons will be announced when persons sign up. Lessons will be held each Tuesday and Thursday morning for five weeks. Cost of the lessons will be 25 cents per lesson, or pool admission.

Instructors for the courses are Davis Price and Glenn Hopkins.

Persons interested in private lessons should call the pool, OL5-3816, and arrangements for lessons will be made, according to Price.

## Wheat Stock Dividends Due

Dividends on stock in Happy Wheat Growers, Inc. will be returned to patrons within three or four weeks, according to C. D. Zachry, president of the corporation.

His announcement came at the annual meeting of the corporation June 1 in Happy. Some 226 members were in attendance.

Zachry stated that nearly \$60,000 would be returned. Two years of stock will also be revolved and a 30 percent cash dividend will be paid on business of the last fiscal year. Also, customers who purchased fertilizer during the last fiscal year will receive an \$11 per ton cash dividend.

Jack B. Irwin of Cornell and Co. gave the audit report at the meeting. Irwin said that the association was in excellent financial condition, and that operations for the fiscal year ended resulted in net saving of \$92,747.23.

In other business, the association presented a watch to E.W. Schaeffer, in appreciation of his service of 31 years as director. Schaeffer helped organize the Happy Wheat Growers, Inc., in 1934, and has served on the Board of Directors since then.

Bill Dugan and J.L. Waters were re-elected to the board.

J.R. Bonds of LaCasa Canyon Convalescent and Nursing Home has returned to Canyon following a two-weeks visit with relatives in Gentry, Arkansas.

## CHS Offers Farm Course

A farm welding short course for farmers is planned June 21-24, under the sponsorship of the Canyon High Vocational Agriculture department, according to Hueyn Laycock, superintendent, and Carrol Duncan, teacher.

Joel R. Barton, welding specialist with Vocational Agriculture Division of the Texas Education Agency and department of Agricultural Engineering at Texas A&M, will instruct the course.

"Many welding short courses in different parts of the state have been taught by Barton, and all have been very successful," Walter Laboy, area supervisor of vocational agriculture, said. Arrangements for the adult education short course in welding and other fields are made through Laboy's office.

The course will begin at 8 p.m. in the vocational agriculture building June 21. Barton will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Duncan.

Farmers interested in attending the four-day course should contact either Duncan or Rodney Myrick. An entry fee of \$5 will be charged, and there is a maximum enrollment of 15. Farm Welding Short Course certificates will be presented to each person who attends all sessions.

A COMPLETE BUILDING SERVICE

Mrs. C.C. LaGrone and her youngest granddaughter, Nancy Lee Johnson, are pictured looking at the high school diploma of Mrs. LaGrone's youngest son, Sam. The mother of nine, Mrs. LaGrone is a new resident of Canyon.

## Mrs. LaGrone Mom Of Active Family

BY LORENA MILLER

Mrs. C.C. LaGrone, grandmother and mother, is a new resident of Canyon having moved here from Amarillo in mid-February.

The youngest of 13 children, the former Miss Lillie Tom Davis married at the age of 16. The LaGrones made their first home on a farm near Comanche in Comanche County. Later the couple moved to Clarendon with their children and operated a farm there. Their next major move was to Amarillo where they lived for 13 years prior to the recent move to Canyon.

The mother of nine, Mrs. LaGrone worked at the hospital at Amarillo Air Force Base until the couple moved here. Her husband is with the civil engineering department at AAFB. "Our early days of married life were during the Depression," recalls Mrs. LaGrone. "But living on a farm we raised our own hogs, cows, chickens and summer gardens and had plenty to fulfill our needs."

"Twins were our first anniversary present and they (Billie and Brack) were the first twins born into either of our families for several generations," she related.

The former Billie LaGrone is now Mrs. Bill Johnson, owner and operator of Johnson's Cafe in Canyon. Brack, who formerly operated a cattle business, now lives in Canyon and is associated with LaGrone Appliance.

Second daughter of the LaGrone, Laura Lynn, operates Tri-State Beauty School in El Paso.

Son Jerry attended mortuary school in Dallas and is owner of LaGrone Funeral Home in Canyon. A younger brother, Tommy, is presently associated with the LaGrone Funeral Home after completing mortuary school in San Antonio.

Tommy is also studying business at West Texas State University.

Odell, fifth child of the LaGrones, is owner of LaGrone Appliance in Canyon. The couple's next daughter, Nancy, died at the age of six.

"We then had our second set of twins," Mrs. LaGrone relates. The twins are Tommy and Cora. She attends West Texas State University where she is majoring in education.

The couple's youngest son, Sam, graduated this spring from Caprock High School in Amarillo where he served as class president for five years. Sam plans to enter West Texas State University this fall while working with the funeral home.

The couple also has eighteen grandchildren, two died in an accident earlier this year. Members of the Missionary Baptist Church, the LaGrones have built a modern three-bedroom home at 1919 10th Avenue in Canyon.

"We have most of the modern conveniences now-days," says Mrs. LaGrone. "But back when the kids were all at home it wasn't unusual to scrub clothes on the rubboard and boil them in the black pot."

"My husband always kept wood cut for the fireplace until the boys got big enough to work," she related. "The kids rode the school bus to school, and worked around home at an earlier age then because it was necessary to help their father."

"Big families are a lot of fun, we get together often for card games and visiting and usually have big family gatherings when our daughter is home from El Paso. Bill and Billy are moving to Canyon this week so all of our children will live here except Laura Lynn," she says.

## Final Rites Today For Dr. H.A. Brown

Funeral services for Dr. Harry Ackley Brown, Sr., a community leader for some 40 years, will be conducted at 10 a.m. today, Thursday, in LaGrone Funeral Chapel.

Masonic graveside rites will be conducted by Canyon Masonic Lodge 730.

Rev. Lars Hamerson, pastor of the First Presbyterian Church of Canyon, will officiate.

Pall bearers will be W.A. "Bill" Wilson, L.S. Johnston, Ed Weeks, J.W. Kleinschmidt, Lee Foster, James Cole, Levi Cole and Roland Black.

Memorials should be sent to Scottish Rite Crippled Children's Home in Dallas.

Dr. Brown, who was a 32nd degree Mason, was active in civic organizations in Canyon and Amarillo.

## Afternoon Nuptials Unite Hunter, Oneal

In a ceremony performed Sunday June 6, Miss Mona Dell Hunter of Dimmitt became the bride of Mike Scott Oneal, of Follett.

The bride is the daughter of Mrs. Rachel Hunter and the late Addison Hunter of Dimmitt. Parents of the bridegroom are Mr. and Mrs. Scott Oneal of Follett.

Nuptials were read at 3 p.m. in First Baptist Church of Dimmitt, with Rev. Frank Pollard officiating at the double ring ceremony.

Traditional wedding selections were rendered by O.C. Renfro at the organ and La-trelle Hoyer, soloist, and included "Always," "Sweetest Story Ever Told," "Wedding Prayer," and "Walk Hand In Hand."

The sanctuary was decorated with four 15-branch candelabra flanked by spiral candelabra. White gladioli and yellow chrysanthemums formed into fan shaped arrangements provided floral accents.

Flower girl for the occasion was Darla Harris, cousin of the bride. Monty Schibbelhute, nephew of the groom was ring bearer.

Attending the bride as maid of honor was Miss Mary Helen Ayres of Pampa. Bridesmaids included Mesdames Keith Lane of Canyon, Jimmy Williams of Big Spring, George Young of Dallas, Charles Morehead of Floydada, Richard Hunter of Dimmitt, Miss Diane Smith of Dallas was bridesmaid. All attendants were identically attired in gowns of yellow polished cotton with silk organza petal leaf overskirts.

Serving as best man was Timmy Crump, cousin of the groom, of Follett. Groomsmen

were Tom Gilbert of Pampa, Larry Burks of Dimmitt, Kay Kunka, Gary Weiser, Larry Frazier and Tracy Ehrlic, all of Follett. Groomsmen also assumed ushering duties.

The bride was given in marriage by her brother, Richard Hunter. She chose a formal gown of silk organza and imported alencon lace with a scalloped neckline, trimmed in seed pearls. The bodice was of imported lace embroidered in an intricate pattern on design of the lace. Long tapered sleeves were executed in the lace pattern, and the sheath skirt featured a controlled front designed in lace. An overskirt began at hip length and fell to a graceful chapel train, with panels of lace worked alternately into the overskirt and train. Her veil was imported silk illusion held by a crown of pearls and aurora crystals. She carried an arrangement of white orchids.

Following the ceremony, a reception was held in Fellowship Hall of the church.

For travel to points of interest in New Mexico and Colorado, the bride wore a yellow suit with accessories of bone.

After June 12, the couple will be at home in Follett, Texas.

The bride is a graduate of Dimmitt High School and holds a degree from West Texas State University. Prior to her marriage she taught in Roscoe High School. Mrs. Oneal is a member of Beta Sigma Phi, Phi Beta Phi, National Talent Association, and was Miss Talent of Texas for two years.

The bridegroom is a graduate of Follett High School and is a senior student at West Texas State University.

## Warrens Celebrate 50th Anniversary

Mr. and Mrs. W.A. Warren were honored by a small group of long-time friends on their fiftieth wedding anniversary celebration, held Sunday in their home.

Nearly 185 guests were greeted between the hours of three and six p.m. by the Warrens, and their sons Meredith and Bernard.

Hostesses for the occasion were Mrs. Bernard Warren and Mrs. Meredith Warren.

Registering guests was Miss Penny Warren.

Refreshments were served from a table covered with a linen and organdy cloth, and centered by an arrangement of pink roses and baby's breath.

Appointments were of silver. Slices of pink wedding cake, nuts, mints, and coffee and tea were served.

Also complementing the pink floral arrangement on the table were other pink arrangements throughout the home, which follows pink decor.

The Warrens met at Denton and were married in her home at Wichita County, June 1, 1915. C.R. Davis, Methodist pastor, officiated at the services.

Warren and the former Leta McCarty returned to Coryell

County, his home, where they taught school for five years.

Son Meredith was born while the couple lived in Coryell County, and in 1921, the family moved to Canyon. Warren established The Man's Store, and the family built a home at 1814 Third Avenue.

Bernard, the couple's youngest son, was born in 1922. In 1941, the family moved to their present home at 2011 Third Avenue.

The Warrens also have four grandchildren. Penny and Randy, are the daughter and son of the Meredith Warrens, and John and Ricky, sons of the Bernard Warrens.

McAtees Plan Summer Of Boating, Swimming

BY LORENA MILLER

Boating, skiing, swimming, picnicking and outdoor barbecuing...They are all a part of summer vacation plans of the Lloyd 'Happy' McAtee family. "Almost every week end that the weather is agreeable we head for a lake, usually Buffalo Lake," says Mrs. McAtee.

"Our week end vacations at the lake are one of the things that keeps our whole family together a lot," she said.

The McAtee family includes son Gary, 17, who is a junior at Canyon High School. Gary, an avid water fan, plays football with the CHS varsity. He received honorable mention on the all-District team this year. He also belongs to the National

Water Association and participates in various tournaments held at Buffalo Lake each summer. "Gary is the youngest and is usually the first and last one up on the skis," his mother related. "He learned to ski at the age of 12 and knows how to slalom (with one ski) and jump."

"The rest of the family also skis, except me, and I'm a good picnic manager," she laughingly says. "We usually pack a picnic lunch and occasionally barbecue at the lake on long week end jaunts."

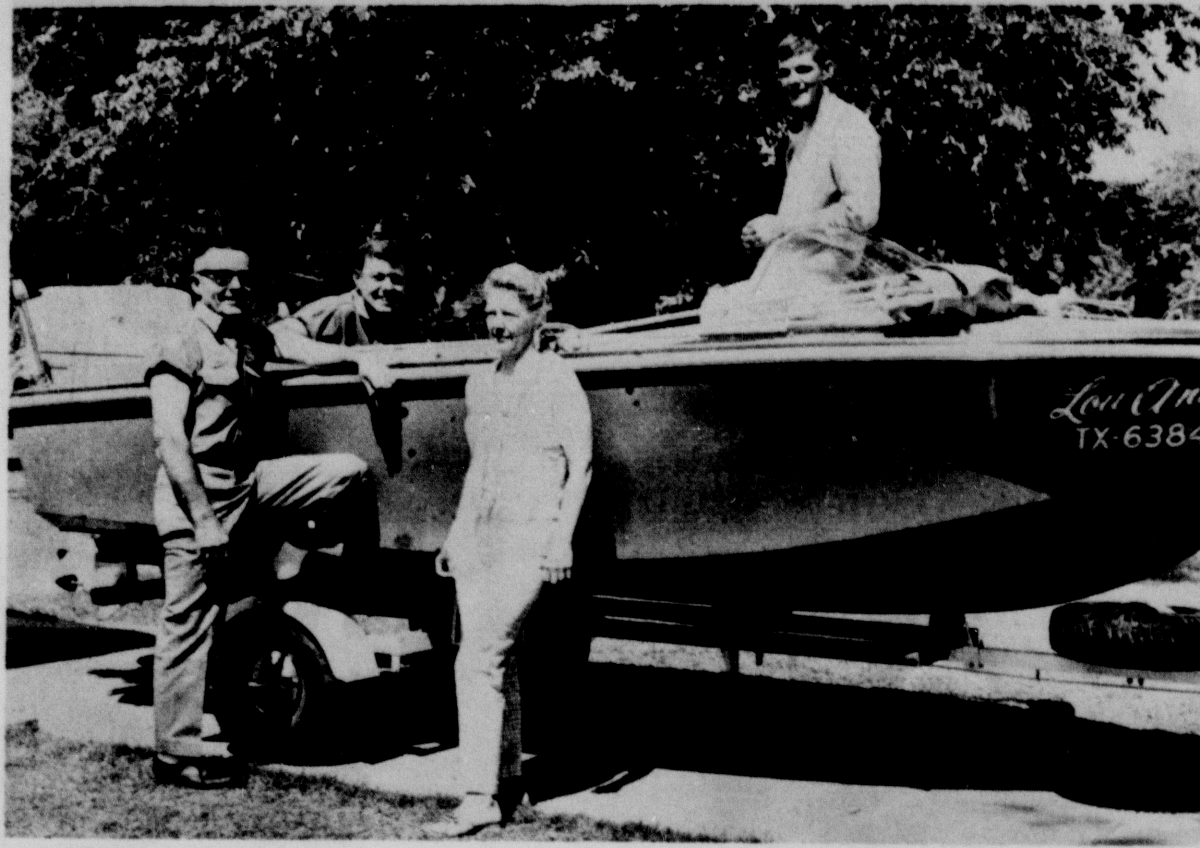

The McAtee's daughter, Dora Jean, lives in Amarillo with her husband, Dan Gaylor, and their son, David, age 5. The Gaylors often join her parents

on week end outings as do Mike McAtee and his wife, Barbara. The Mike McAtees live in Canyon where he is affiliated with his father at McAtee and Warwick Motor Service and Supply. Mrs. Mike McAtee owns and operates Barbara's Beauty Salon in Canyon.

McAtee married the former Miss Tennie Dora Brooks in 1936 and the couple has resided in Canyon since that time. He has been with McAtee and Warwick since 1936, and has been an owner of the business since '47.

His mother, Mrs. W.H. McAtee, also resides in Canyon. McAtee also has a brother and sister living in Canyon.

Active in the First Methodist Church of Canyon, the McAtees have been boating fans for about six years.

SUMMER boating, skiing, and picnics are a part of the activities of the Lloyd McAtee family. Pictured left to right are Lloyd 'Happy' McAtee, sons, Gary and Mike, and Mrs. McAtee.

WT Music Camp Set

The 13th Annual West Texas Music Camp for high school and junior high students will be held at West Texas State University, July 18-30.

Applications are being accepted now and the deadline for enrollment is June 20th. Guest conductors and clinicians include Randall Spicer, director of bands at Washington State University; Russell Howland, professor of woodwinds at Fresno (California) State College; and Mervin Britten, Arizona State University.

Twenty-five other outstanding high school and college instrumental music teachers from Texas and surrounding states will complete the staff of music specialists.

In addition to five bands and an orchestra, students receive instruction in baton twirling, drum majoring, stage band, chamber music, theory, and music appreciation.

Planned recreational activities each evening, together with the excellent music instructional program, make this one of the finest camps of its kind in the western states.

According to Dr. John E. Green, camp director, more than 600 students are expected to attend. Detailed information and application cards may be secured by writing to Dr. Green at West Texas State University.

Junior High Campers At Ceta Canyon

Seventh and eighth grade boys and girls from First Methodist Church are attending Junior High camp this week at Ceta Canyon.

Dean of the camp is Rev. Robert R. Sewell of Amarillo. Attending the week-long camp, to end tomorrow, Friday, are Tim and Tom Van Valkenburg, Jerry and Terry Landrum, Linda Hales and Gail Downing.

Also representing the church as sponsors are Jimmy Pond, Charles Starnes and Mike Ramsey.

Band Workshop Begins Monday

Registration for a summer band workshop will be held Friday morning from 8:30 to noon, according to director Gary Zook.

Zook said the workshop will be held two weeks for students who will enter the junior high school band this fall.

Sessions which begin Monday, June 14, will be conducted Monday through Friday from 8:30 to 11:30 a.m. in the high school band hall.

Workshop fee is \$10. The school ends June 25.

Bowlers Give Awards Friday

Canyon Bowling League banquet will be at 7 p.m. Friday at the American Legion Hall. Winners in each league will be presented trophies and awards during the evening.

Eddie Knowles will serve as master of ceremonies. Awards will be given by league presidents.

Reservations may be made through Knowles. Tickets are \$1.50 per person.

Mrs. Lois Ann Sauls, daughter of Mr. and Mrs. Lee Harlan, was recognized recently for scholarship and individual honors during an all-college program at Texas Technological College. Youngsters in Vacation Bible Schools of different Canyon churches learn to work with crafts, sing songs, and study about the life of Christ. Here, Mrs. Marilyn Reeves asks questions of

Tanya Duncan, daughter of Mr. and Mrs. Carroll Duncan, and Chris Wilkinson, son of Mr. and Mrs. Bob Wilkinson, as the two four-year-olds attend VBS sessions.

## Fairview Breezes

BY MRS. J.W. WESLEY

We received .30 moisture Sunday evening.

Kyle Ray Wesley is spending this week with his great-grandparents, Mr. and Mrs. J.W. Wesley.

Those picnicking at Buffalo Lake Saturday evening and Sunday included Mr. and Mrs. Bill Boyd and children of Amarillo, and Mr. and Mrs. Albert Legate of Levelland. Mr. and Mrs. Charles Sutton went to the lake Sunday to visit with their children, the Legates and Boyds.

Ervin Wilson took J.W. Wesley to Lubbock Sunday and Mrs. Wesley returned home with them. She had been with her

day afternoon with Mr. and Mrs. J.W. Wesley.

Mrs. Annie Read and James, and her sister Vinnie Cox went to Knox County over Memorial Day holidays and cleaned the graves of their parents and other relatives.

Edward Wilson, son of Mr. and Mrs. Ervin Wilson, and Roger Lee Wilson, son of Mr. and Mrs. Charles Wilson, are attending youth camp at Salvation Army Camp down state this week.

Othell Whitson was released from the hospital Friday and is convalescing at home. Her daughter, Mrs. Butch Parker, and granddaughter, Dennette, are with her.

Susie Wesley entered business school at Midland last Monday.

The Methodist Vacation Bible School was in progress in Happy the past week.

The Baptist Church is having its VBS this week in Happy.

Mr. and Mrs. J.W. Wesley and Kyle Ray were in Happy Thursday afternoon and visited with the Rafof Shipman family.

We had 1.20 hundredths moisture during the past week, also some marble size hail, but not too much damage.

Ora Evans and her neighbor came home to Happy Wednesday and returned to the farm near Adrian the same day.

Pauline Wesley visited a short time Thursday afternoon in the J.W. Wesley home, then went to Canyon and visited with her children, C.R. and Roxie Wesley.

### Guest Choir Will Present Concert Here

Chapel Choir of First Baptist Church, Tyler, will be presented in concert at First Baptist Church here, Tuesday evening June 15.

The program will begin at 7:45 in the sanctuary. Public is invited to attend the concert.

Director of the 48-voiced choir is Joe T. Carrell. Members of the choir, enrolled in junior high and high school are presenting the program as part of a concert mission tour.

### Westside 4-H Plans For Dress Review

Girls from Westside 4-H club heard preliminary plans for the annual 4-H dress review, and began working on garments at the June 7 meeting.

The dress review will be held July 9. Mrs. Lewis Tuck, adult leader, explained dress review rules and regulations to club members and mothers at the recent meeting.

Members present were Connie Brazzil, Leta Cranmer, Joelyn Crowley, Suzanne Ellwood, Cindy Gruner, Millie Hales, Linda Hicks, Glenda Holenstein, Annette Robinson, Marilyn Robinson, and Cindy Sparks.

## 50 Expected At Day Camp

Some 50 persons will attend a day camp next week at the Polk Street Methodist Church camp site north of Canyon.

According to Kenneth Argenbright, coordinator of the week-long camp, adults from throughout the Northwest Texas Conference will help with the camp. Some 35 to 40 students are expected to attend.

Miss Jeanne Conover of Oklahoma City, director of children's work for Oklahoma Indian Missions, will direct the camp.

Miss Rachel Divers of Lubbock, director of children's work for the northwest Texas Conference, will also be coordinator.

Children from the Polk Street Methodist Church and the San Jacinto Methodist Church will participate in the workshop.

## Mrs. Collins Has Visitors

Mrs. T.W. Collins has been hostess the past week for visits from her children and grandchildren.

Mrs. Joe B. Collins, Rita Jane and Jay, visited in Canyon from Odessa. Jay, a sophomore at Rice University, Houston, holds a scholarship in football from the institution.

Mr. and Mrs. James L. Cornette, and son, James Terrill have been visiting from Ames, Iowa.

Edward Lee Bagot, who lives in Amarillo and has been a student in Arlington State College the past year was a visitor. He has now returned to Arlington for the summer to work in the swimming program.

Mr. and Mrs. Frank Lewis Spring have also been visiting. Spring is originally from Friona, and has been a student at the University of Texas in Austin for some three years. The Springs will attend school in Mexico this summer and study Spanish and music.

Mrs. Luster Hogge of Guymon, Oklahoma, cousin of Mrs. W.T. Davis, visited over the week end with the Davis family. Mrs. Hogge and Mrs. Davis visited with Mr. and Mrs. Raymond Hurst of Happy. Hurst is Mrs. Hogge's brother.

Members of Company C, 142nd Infantry, 36th Division are shown here getting one of the company's vehicles ready for the annual trek to Fort Hood. From left are Sgt. Dick Mauldin, Amarillo, Spec. 4 Jerry Venable, Amarillo, and Spec. 4 Richard Burgess, Amarillo. Armory commander is Lt. George Greiner of Canyon. The group will leave for summer camp Saturday.

## Fall Victim Is Rescued

Donna Sue Mallitt, a WAF stationed at Amarillo Air Force Base, was injured in a 200-foot fall Sunday afternoon at Devil's Slide in Palo Duro Canyon.

Jack Jennings of the Canyon Fire Department emergency unit said she rolled down an incline of about 200 feet and might have been more seriously hurt had she not come to a stop on a shelf.

Jennings said the shelf was about 200 feet above the canyon floor and was at the top of an almost sheer drop.

Rescue required about 45 minutes. The unit used a back board designed by Fire Captain Joe Rice and Bill Sternberg.

The fall victim was strapped to the back board and taken to the canyon floor.

She was rushed to Neblett Hospital in a LaGrone Funeral Home ambulance. She later was transferred to Amarillo Air Force Base Hospital.

Jennings said she had suffered back and rib injuries.

# Widick Family Shares Hunting, Camping Fun

BY PHYLLIS BONNIE

Recipes for Oatmeal Cookies and Lemon Pound Cake are favorites of the Harry Widick family, with whom we spend a few moments this week.

Mrs. Widick, born Ann Martin, was reared in Amarillo. She married her husband, Harry, in January of 1947, and the couple has four sons.

Besides keeping busy with her sons, Mrs. Widick spends most of her time working around the home. Last year she served as president of the coffee cup bowling league, and worked with the band parents organization. Now, Ann is the newly elected historian and publicity chairman of Parent-Teachers Association.

She, like Mrs. Johnson, our homemaker of last week, feels a great enthusiasm for the PTA.

"We hope to really get more people interested in PTA this year. They will be able to get acquainted with teachers and

with curriculum that their youngsters are studying," she smiles.

"You know, one way we might accomplish this is through a back-to-school night. Actually, this is the only way many parents of youngsters in secondary school can see what their youngsters are doing," she notes.

This enthusiasm she expresses is also found in Ann's outlook on life.

"We enjoy doing things as a family--camping, fishing, hunting, and baseball and basketball. The two middle boys both play on the basketball team; and baseball is just something really big.

"Of our four boys, all are interested in sports. David, the oldest, will be a senior at Canyon High. He bowls in the boys' junior league, and his team won first in the tournament last year.

"Ricky will be a junior at Canyon High, and Bill a sophomore. Both are members of Explorer Post 31, both play basketball, and both are going on the Canadian canoe trip with the Explorers this summer. Also, Bill has a morning paper route, and has had for what is now going on the third year. Bill's also a member of the Babe Ruth League Cardinals.

"Our son Marty will be in the fourth grade this fall, and is an active participant in Cub Scouts. He belongs to Den 1, Pack 66, and is among den members who learned to Indian dance recently. Marty loves to swim, and also plans to play ball this summer. He helps the Cardinals team by being bat boy," she smiles, again.

The mainstay of the Widick family, Harry, is a conductor for Santa Fe Railway Co. Scout-

ing has found a place in his life as in that of the others, for he is currently a district commissioner; and served as Cubmaster of Pack 97 when it was first organized, and for three years afterwards. During that time, Ann was a den mother.

The Widick family spends time working together in the yard, creating a striking rose hedge and otherwise beautifying the garden. They moved to Canyon some two years ago from South Amarillo, though the youngsters have attended Canyon schools all the time.

The family are members of Amarillo Bible Church.

And Mrs. Widick's hobbies--hers alone? "I like to cook, and to read, and especially, to visit--but did I tell you about our cabin we're building? It's in South Fork, Colorado, and will be just right to do all the things the family enjoys."

"And, then, of course, I'd love to travel."

The family has one pet, a fox terrier known as "Shug," but bearing a more formal name of Sugar and Spice.

"We've had to put a higher fence around the yard since the dog arrived. He jumps four concrete blocks like they aren't anything, so consequently, as the dog gets bigger, the fence gets higher.

For readers who plan on mixing up some goodies for the family, Ann contributes recipes for Oatmeal Cookies and Lemon Pound Cake.

Mrs. Harry Widick spends some time in her garden, as evidenced by the blooms, as well as taking time out for four busy youngsters. She and her husband, with the boys, David, Ricky, Bill and Marty, enjoy camping, fishing and hunting--and it looks as if that time is just arriving, along with summer.

## Graveside Rites Held For Infant

Scott Donnell Davis, infant son of Mr. and Mrs. Frank Dillard Davis of Canyon, died Saturday night at Nebbett Hospital.

The boy was born June 3, 1965 in Canyon.

Graveside rites were conducted Sunday at 4 p.m. in Dreamland Cemetery with Rev. Strauss Atkinson, pastor of the First Baptist Church, officiating.

Burial was by LaGrone Funeral Chapel.

Survivors include parents

Frank Dillard and Etta Joyce Davis; one brother, Steve Kelton Davis of the home; and grandparents, Mr. and Mrs. E. J. Parsons and Mrs. Frances E. Davis, all of Canyon.

### Palo Duro Featured In Book

The Canyon area is prominently featured in a new book by Ed Syers "Off The Beaten Trail."

In the book Syers tells of the last stand of the Comanche and other Plains Indians in the Palo Duro Canyon east of the present site of Canyon.

Canyon was founded some 16 years after the battle in which General Ranald Mackenzie's Fourth Cavalry destroyed the Indians' ponies.

Thus ended a 34-year conflict between white men and the world's finest light cavalry--the Comanche warriors of the Plains. Syers notes that the war ended only when that cavalry ceased to exist.

The book also has other chapters devoted to the Amarillo area.

### Local 4-Hers Attend Meet

Four Randall County representatives were among 1,300 4-H club members who competed for state wide honors last week at Texas A&M.

The four competed in the annual 4-H Roundup, June 1-4 at College Station.

Participating in the roundup were Bob Gruner, Cindy Gruner, Judy Boehning, and Mary Cummins. Bob and Cindy are children of Mr. and Mrs. Forrest Gruner. Judy is the daughter of Mr. and Mrs. Leroy Boehning, and Mary, the daughter of Mr. and Mrs. Aaron Cummins.

Mr. and Mrs. David Pulley also attended the week-long meeting. Mrs. Pulley is Randall County Home Demonstration Agent.

Included as features of the gathering were competition within 30 separate areas, judging and team demonstrations, an awards banquet, and a concluding breakfast.

### Irwin Speaks To Wagonwheel

James T. Irwin, operator of Irwin Greenhouses, was guest speaker for last Tuesday's meeting of Wagonwheel 4-H Club, held in Farm Bureau Building.

Roger Gist introduced Irwin, who spoke to the club on starting of different plants. He told the club about different ways of growing each variety, how temperature must be controlled, and preventive measures used to keep disease under control. He also discussed distribution of plants from the greenhouses.

Roll call and minutes were read by Dick Cummins and Sharon Henders presented an inspirational reading.

Attending the meeting were Farrell Allison, Brenda Allison, Ricky Bauer, Minnie Bible, Jamie Bible, Mary Ann Belcher, Kathy Gist, Roger Gist, Marsha Hager, Ricky Hales, Rod Hales, Rhonda Hales, Sharon Henders, Cindy Kuhlman, Terry Reynolds, Connie Pitt, Clara Waugh, Judy Sykes, Dick Cummins, Connie Russell, Jan Williams, Clifford Boehning, Mary Ann Boehning, and Karen Boehning.

### New Field Worker At SWS Office

Mrs. Julia Ann Crabb last week began duties as a field worker with the State Welfare Service in Randall County.

Mrs. Crabb replaces Carol Lindeman who has moved to Plainview.

Mrs. Crabb has been working for the welfare service in Lubbock and has been with the service since 1963. Before going to work for welfare service, Mrs. Crabb lived in Amarillo and operated a dry cleaning establishment.

She is presently making her home in southwest Amarillo. The Canyon office, located in the court house, serves Randall County and parts of Swisher and Potter Counties.

Mrs. Crabb says she has a work load of 425 cases.

Assisting Mrs. Crabb is Donna Lambert, a junior at West Texas State University. Miss Lambert, a business major, has been employed at the welfare office since April.

Mrs. Roy Childress and Betty are visiting with the J.W. Fains and J. L. Hilgenfelds. Mrs. Childress underwent surgery in St. Anthony's Hospital this week, and Betty will remain with the Fain and Hilgenfeld families until her mother recuperates. Mrs. Childress is the sister of Mrs. Fain, and is from Snyder.
